**ALLOCATION OF LOCKER – DURATION – STUDENT’S REGISTRATION:** Students have the use of a locker in the workshop area. This is allocated by staff at the start of the Course for the purpose of storing teaching materials only. The locker allocation lasts for the time the Student is attending the Course. At the time of locker allocation, the relative padlock is given to the Student and the staff will register the Student’s name so that they can trace the Student who has been allocated the locker at any time.

**CONTENTS THAT CAN BE STORED IN THE LOCKER:** By signing the enrolment contract to the course, including these regulations, the Student undertakes only to store contents belonging to him/her in the locker assigned to him/her. The Student will not store contents belonging to him/her in lockers allocated to other Students, or in unallocated lockers, and will assume all liability for any infringement of this prohibition, also towards third parties (e.g., other Students), holding Polimoda free and harmless against all liability for any harmful consequences that may derive to his/her own items/materials as a result.

**VALUABLES:** In any case, Students are recommended **NOT** to leave valuables in the lockers, since these are not required for research or consultation and there is no possibility to submit claims to Polimoda, by the Student or on behalf of the Student, for the loss or theft or damage of any valuable, as this latter is not obliged in any way to provide for the safekeeping and security of such items.

**FORCED OPENING OF LOCKER FOR SECURITY REASONS – TIME LIMIT FOR COLLECTION OF REMOVED CONTENTS:** If there should be urgent security requirements, Polimoda may in any case proceed to open lockers, reserving the right to be able to check any contents, which may be removed, inspected and stored in an appropriate place, notifying the Student and allocating him/her a time limit of **90 (ninety) days** to collect the contents; once said time limit has passed, Polimoda will consider this justifiable grounds to destroy and/or dispose of said uncollected items and materials,

**FORCED OPENING OF UNALLOCATED LOCKERS AND ALLOCATED LOCKERS IN CASE OF FAILURE TO RETURN PADLOCK/KEYS AND COLLECT MATERIAL BY THE END OF THE COURSE- TIME LIMITS FOR COLLECTION OF REMOVED CONTENTS:** By signing enrolment contract to the course, including these regulations, Students undertake to remove all items/materials left in their own locker at the end of the course and to return the padlock to Polimoda. Students also acknowledge that if the locker is not emptied by the end of the course, Polimoda may arrange for forced opening of the locker and the storage of the removed contents in an appropriate place. The Student will have at his/her disposal a time limit of **90 (ninety) days** from the end date of the course, by which time, the Student must collect said contents. Upon expiring of the aforesaid 90 (ninety) day time limit, within which the Student must regain possession of his/her items by applying to the front desk staff on the site the destruction/disposal of the contents will be arranged by Polimoda, as specified below.

Two weeks before the date of termination of the course, Polimoda will send the student a notice, via e-mail, to remind of what above specified (obligation to empty the locker before the end date of the course, 90 (ninety) day time limit to recollect the contents after forced opening of the locker, justification for destruction and disposal of the contents).

Polimoda may also arrange for forced opening of unallocated lockers in which items/materials have been placed, and the storage of the removed contents in an appropriate place with the understanding that, after **90 (ninety) days** during which nobody has applied to the front desk staff on the site in order to regain possession of them, the destruction/disposal of the contents will be arranged, as specified below.

**BAN ON STORING STUDENTS’ ITEMS/MATERIALS IN OTHER PLACES ON SCHOOL PREMISES:** It is strictly forbidden to store any type of personal or teaching items/materials in other places, apart from lockers, on school premises. Further spaces for storing personal and/or teaching materials may be made available to Students **only in strictly exceptional circumstances** (e.g., for particular teaching needs) and in any case, at the discretion of Polimoda, which nevertheless reserves the right to regulate the methods of these forms of storage at its own discretion and in any case, limiting them to a period not exceeding the duration of the course. It is in any case understood that even in this situation, Polimoda cannot be held liable for the loss, theft or damage of items stored by Students, whether they are in locked areas or areas that are open and/or shared with other Students, since Polimoda’s willingness to make other spaces available to Students is to be understood exclusively as an act of courtesy.

Students also acknowledge that if further spaces that may be made available are not emptied of Students' items/materials by the end of the course, or by the expiring of the earlier time limit assigned by Polimoda, after **90 (ninety) days** since the end date of the course, or since the expiring of the earlier time limit eventually assigned by Polimoda, have passed, this latter may arrange for the destruction/disposal of the contents that remain unclaimed, as specified below.

**REMOVAL OF UNATTENDED ITEMS ON SCHOOL PREMISES AND TIME LIMIT FOR COLLECTION:** Students are expected always to keep their personal items and teaching materials brought in and/or processed by them on the school premises with them, or in their immediate proximity or inside the locker allocated to them. Any item or material left unattended will be removed by the site staff and stored in an appropriate place. If the Student does not apply to the front desk staff on the site to reclaim his/her items/materials within **90 (ninety) days** of their removal, Polimoda may consider this justifiable grounds for destroying and disposing of said items and materials as below specified.

**DECLINING OF LIABILITY BY POLIMODA FOR THEFT, LOSS OR DAMAGE OF STUDENTS' ITEMS AND MATERIALS:** Under no circumstances may Polimoda be considered the custodian of items/materials stored in lockers, nor, more generally, of items/materials owned by Students and brought in and/or processed by them on Polimoda premises and/or created in the context of Course attendance, including items/materials for which Polimoda may have authorised, as an act of courtesy, their storage on site premises in whatever form and with whatever methods, or anything that has not been collected after the end of the Course or left unattended, since Polimoda is henceforth not bound by any obligation for custody or supervision of said items and materials. Therefore, no request/claim of any kind (e.g., for compensation) may be submitted by Students, or on behalf of Students, to Polimoda in case of theft and/or loss and/or damage of any kind to the above items/materials, even when, exceptionally (e.g., for particular teaching needs), the storage of these in closed areas or areas that are open and/or shared with other Students has been authorised. This declining of liability must be understood as also being in force during the pending time limits of **90 (ninety) days** laid down in reference to the various cases described in Article 24.

**EXPIRY OF TIME LIMITS FOR COLLECTION OF STUDENTS' ITEMS/MATERIALS REMOVED AND RIGHT TO DISPOSAL / DESTRUCTION BY POLIMODA:** Any personal items and/or teaching materials belonging to Students for any reason and in any form or way, which are left/stored at Polimoda's sites, including any items/materials that may have been removed from lockers or, more generally, from site areas by Polimoda because they have not been collected by the end of the course and/or because they have been left unattended and/or for security reasons, which are not collected by Students themselves within the **90 (ninety) day time limits** laid down according to this Article 24, since the Student has not contacted the front desk of the site for collection purposes, Polimoda will consider this justifiable grounds to destroy and/or dispose of said uncollected items and materials, without the possibility of a request or claim of any kind being submitted by the Student, or on behalf of the Student, in this regard.

The only exception to this clause is the possibility whereby Polimoda requests the Student, expressly and in writing, to be able to hold his or her teaching creations for a longer time, as provided for in the enrolment contract; also in this case, **within 90 (ninety) days** of notification by Polimoda that the Student must act to regain possession of said items, Polimoda can arrange for their destruction and/or disposal of the materials, as shown above, without the possibility of a request or claim of any kind being submitted by the Student, or on behalf of the Student, in this regard.
